Overview of this information collection:

- (1) *Type of Information Collection:* New collection
- (2) *Title of the Form/Collection:* Census of State and Local Prosecutor Offices  
Serving Tribal Lands / part of the State and Local Justice Agencies Serving Tribal  
Lands collection
- (3) *Agency form number, if any, and the applicable component of the Department of  
Justice sponsoring the collection:* The form number for the collection is

Bureau of Justice Statistics, in the Office of Justice Programs.
- (4) *Affected public who will be asked or required to respond, as well as a  
brief abstract:* Prosecutor offices located in counties contiguous to  
federally recognized tribal lands will be asked to respond. The Census of  
State and Local Prosecutor Offices is the first national collection to gather  
data on the characteristics, functions, and resources of prosecutor offices  
that provide services to tribal lands.
- (5) *An estimate of the total number of respondents and the amount of time estimated  
for an average respondent to respond:* An estimated 490 prosecutor offices will

It will take the average respondent an estimated 60 minutes to respond and 15 minutes for any response verification.
